

BETHWEL RONO

Full stack web developer

Summary

I am Bethwel Rono, 23 yrs old and a full stack web developer. My primary goal is to apply my technical expertise all throughout the full software life cycle to ensure production and delivery of products and services that meet client specifications. One of my objectives is to keep updated with the latest IT trends and technologies. I am confident that if given an opportunity, I will be a useful talent to the company.
